SAURAV M. HIREMATH

Computer Science Sophomore
Web Developer and Data Analyst

PERSONAL PROFILE

Senior-Core Commitee Member of Tech Team at CSI-VIT. I am a professional web developer who's fully committed to creating and designing innovative websites that users love. Also a Machine Learning researcher and competitive programmer. Love to do designs in my free time and am always eager to absorb knowledge.

ACCOMPLISHMENTS

- Winner of RCPC, 2018
- Winner of RCPC, 2019. Two times in a row!
- Runner Up in Hello World 3.0 Hack, 2019
- Special Mentions awardee in IEEE Techloop Hack, 2018
